Medium Double-Door
Locking Drug Cabinet - White
ADIME999-02-WHI

Upgrade the security and organization of your medical supplies with the **Double Door Locking Drug Cabinet**. We've crafted this cabinet from heavy-duty steel with a sleek, durable finish. It delivers dependable performance in professional environments such as hospitals, doctor's offices, schools, laboratories, and any medical facilities while providing peace of mind. Dual locking doors with full-length piano hinges and two secure locks ensure dependable protection against misuse and theft. Each lock is equipped with a unique coded key, both of which are required to open the cabinet, and the keys cannot be removed while the lock is in the open position. The interior includes two adjustable and removable steel shelves, offering customizable storage to keep narcotics neatly organized and easily accessible. Additionally, the left door includes a built-in section designed to securely hold logs, enabling precise tracking of dispensed medications for accurate audits and enhanced accountability.

The cabinet comes fully assembled, with pre-drilled mounting holes and all necessary hardware for seamless installation, ensuring quick set-up upon arrival. It offers sufficient storage capacity without sacrificing too much space. Available in classic black or white finishes, this cabinet blends functionality with modern design, providing a secure and professional medication storage and management solution.

FEATURES

Security: Its dual-locking doors with full-length piano hinges and two coded locks protect against unauthorized access.

Customization: Two adjustable and removable steel shelves allow adaptable organization of prescription bottles and medical supplies.

Accountability: A built-in left door section securely holds logs, ensuring precise medication tracking for audits.

Durability: Its heavy-duty, powder-coated steel construction ensures long-lasting performance in professional environments.

Convenience: The predrilled mounting holes and included hardware ensure a quick and seamless installation.

Capacity: The cabinet offers ample storage space while maintaining a compact footprint.

Style: Our cabinet is available in sleek black or white finishes that complement any professional setting.
